ADDENDUM 1 NCVA & CARR

REVERSE DIRECTION SWITCHING

When it is requested to provide a switch to a customer's location and the switching must be done in the reverse direction, an additional switch charge will be assessed for \$365 to that customer.

HANDLING OF EMPTY FREIGHT CARS

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on the NCVA or CARR and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on the NCVA or CARR.

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars.

The charge for movement of empty cars is \$500.00. The NCVA or CARR will not be responsible for the payment of any per diem or mileage charges, nor will the NCVA or CARR absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service, or to movement of not less than 25 cars shipped in one day, on one bill of lading, to one destination.

If special train service is required for movements other than those listed above, special train charges in the charge schedule of page 2 of this catalog will apply.

The NCVA or CARR's maximum liability for loss and damage is **\$100.00 per railcar**.
