ADDENDUM 1 CFNR

SURCHARGES: Charges published in this Addendum 1 for the CFNR will be in addition to the line-haul transportation charge on regulated traffic published in tariffs or other instruments whatsoever as well as deregulated traffic having application from or to stations on the CFNR as shown below. These charges are payable by the shipper or consignor on outbound shipments and the receiver or consignee on inbound shipments on the CFNR. These charges are to be collected by and accrue solely to the CFNR. All surcharges must be paid in advance.

CFNR STATIONS	SURCHARGE	EFFECTIVE DATE
Hamilton City	\$1675	2/15/2009

Empty Cars Ordered and Not Used from the Union Pacific Railroad

When an empty car is rejected by the shipper as being unfit for loading or if it is not the correct equipment ordered and the car was originally received from the Union Pacific Railroad, a charge of \$445 will be assessed to Union Pacific Railroad. This item supersedes any other published charge for this activity.

Handling of Empty Freight Cars

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on CFNR and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on CFNR.

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars.

The charge for movement of empty cars is \$2.00 per mile, subject to a minimum of 150 miles. CFNR will not be responsible for the payment of any per diem or mileage charges, nor will CFNR absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service.

If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 2 of this Catalog will apply.

CFNR's maximum liability for loss and damage is \$100.00 per railcar.
