CSO

Handling of Empty Freight Cars

This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on the CSO Railway and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on the CSO Railway.

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars.

The charge for movement of empty cars is \$2.00 per mile, subject to a minimum of 150 miles. If the cars are empty but last contained hazardous materials the charge will be \$3.00 per mile, subject to a minimum of 150 miles. This is a per car rate. The CSO will not be responsible for the payment of any per diem or mileage charges, nor will the CSO absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service.

If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 2 of this Catalog will apply.

CSO's maximum liability for loss and damage is \$100.00 per railcar.

Turning of Cars on the CSO

When it is necessary or is requested by a customer for a car to be turned on the CSO, the customer requesting this service will be charged \$200.00 for each car.

Bridge Capital Maintenance Fee

All loaded cars moving between Hartford Yard to East Hartford and the Windsor and Manchester Branches crossing the CT River Bridge on the CSO will be assessed a bridge capital maintenance fee of \$150 per car.

Item 1080 – Closing or Opening of Doors

When it is necessary for the Carrier to Open or Close/Secure a Car Door for the customer, the fee as set forth in the Charge Matrix on Page 2 under Item 1080 will apply to the customer requesting this service.
