## -- Extended Asset Use

### FLEXIBLE ASSET UTILIZATION...

The effective management of railcars is critical to the success of PSAP and our customers. Efficient asset utilization benefits you by increasing the availability of railcars.

From time to time, you may need to use our railcars for a longer period of time. In that case we provide you, at your option, with the use of that equipment, for a fee.

#### Extended use of railway provided assets

We give you free time for loading and unloading cars. If you choose to keep a railroad car, or a private car on railroad property, for additional time, you will be billed a simple flat daily fee. Daily charges do not apply to non-chargeable days, as defined in RA 1000 item 1100.
