### Handling of Empty Freight Cars

*This provision will not apply when the empty movement is immediately preceded by a loaded revenue movement on VCRR and empty is returned to original interchange or if the empty movement is immediately followed by a loaded revenue movement on VCRR*

This provision applies on all types of rail cars, including, but not limited to, cars provided by railroads, leased cars and cars bearing other than railroad reporting marks, but not including passenger train cars.

The charge for movement is \$300.00. VCRR will not be responsible for the payment of any per diem or mileage charges, nor will VCRR absorb any switch charges. This rate will apply only to movement of cars in regularly scheduled train service.

If special train service is required for movements other than those listed above, charges contained in the Charge Schedule on page 2 of this Catalog will apply.

VCRR's maximum liability for loss and damage is \$100.00 per railcar.
